

## **About Bev Harris**

Bev Harris, election investigator, analyst, and forensics specialist, and author of the book *Black Box Voting*.

Black Box Voting is a national nonprofit, nonpartisan elections watchdog group.

Bev Harris became known for groundbreaking work on electronic voting machines, which can remove transparency of the vote count; other important reporting pertains to voter lists, election chain of custody, transparency problems with absentee voting, election industry corporate governance, and financial accountability in elections.

Influential reporting by Black Box Voting is referenced worldwide. Here is a link to a free copy of the book, Black Box Voting: [HERE](#).
