

## **Charles Strange, father of Navy Seal Team 6 member Michael Strange**

Charles Strange is the father of fallen Seal Team 6 hero Michael J. Strange, who was one of 30 Americans who lost their lives under mysterious circumstances in the dark of night in Afghanistan on August 6, 2011. It was a mere 93 days after Seal Team 6 was "outed" by Vice President Joseph Biden and then Defense Secretary Leon Panetta for being responsible for the reported killing of Osama bin Laden. After being identified to the world by our own government, Michael Strange and his fellow comrades were killed as they rode in a 1960's era Chinook helicopter - directly into an ambush.
