

ABOUT DANIELA GRACE

Daniela Grace, thriving spa owner and mother of four was well on her way to achieving the American dream until 2010 when her son, Cody, came down with a mysterious disease that turned their lives upside down. Experience Ella's heart wrenching quest to rescue her son from the grips of the court system only to uncover that the cause of his behavioral issues were medical and that the condition that was wreaking havoc on his brain was treatable...
