

## About Daniel Estulin

Daniel Estulin is an award-winning investigative journalist who has been researching the Bilderbergers for 15 years. He is the author of an international bestseller THE TRUE HISTORY OF THE BILDERBERG CLUB, published in 28 countries. He was one of only two journalists around the world who found out and reported the secret meeting of the Bilderberg Club in Bavaria in 2005 and has been the most outstanding journalist in the coverage of the recent meeting of 2006 in Canada.
