

About John Apsley

Dr. John Apsley is a physician and author who for the past 30 years has specialized in regenerative medicine. His cutting-edge techniques are designed to reverse chronic degenerative diseases at their source through accelerated tissue repair and cellular regeneration. Dr. Apsley holds degrees in medicine, chiropractic and nutrition and is a certified acupuncturist. He has written or co-authored six books including *Fukushima Meltdown & Modern Radiation*, and the best-seller *The Regeneration Effect*.
