- **Author and Conservative Columnist**
- **Attorney and UN Correspondent**
- **Political Pundit**

Popular talk radio guest, Joseph Klein, is an author, political pundit and an attorney with a Harvard Law School degree as well as a United Nations correspondent. He writes for *FrontPage Magazine* and *Canada Free Press* and many other sites on the Internet.

In his book, **Lethal Engagement: Barack Hussein Obama, The United Nations & Radical Islam**, Klein takes a critical look at President Obama's aggressive outreach to the Muslim world; his belief that the U.S. has a "moral responsibility" to lead the way toward a world without nuclear weapons even as he permits Iran to continue developing its nuclear arms capability; and his submission to the international consensus of the anti-Western United Nations.
