About Kevin Barrett, Ph.D.

I'm the author of Questioning the War on Terror: A Primer for Obama Voters; Truth Jihad; A Guide to Mysterious San Francisco; and editor of 9/11 and American Empire v.2, and have taught Arabic, Islamic Studies, French, American Civilization and others subjects. Widely regarded as the world's leading Muslim 9/11 truth activist (for what that's worth) I spent 2006-2008 as the only talk show host featured on all three leading patriot radio networks (GCN, RBN, and WTPRN). I ran for Congress in Wisconsin's 3rd District in 2008: http://www.barrettforcongress.us Currently I'm working on a couple of book projects…
