

About Michael Parsons

My social history includes the fact that prior to the false charges that sentenced me to prison for 7 years as a result of running for office and exposing rigged elections, I had no criminal history. However, I have a Mechanical Degree from Southwest College.

I was a Special Missions Pilot and Officer in the United States Air Force Civil Air Patrol.

A former Volunteer Special Deputy with the Shelby County Tennessee Sheriff. (never paid a dime)

A former Manager with Federal Express over Aircraft and Trucking operations in East Tennessee.

An Adjunct Faculty Member at Southwest College.

A Licensed General Contractor.

A Licensed Building Inspector.

A Radio Talk Show Host on The Voice of Truth with Mike Parsons.

A radio ministry dedicated to exposing the corruption in government and restoring our constitutionally recognized God given rights and teaching my fellow man and woman how to be independent, self sufficient and self-governing.

As a man of faith, I was saved at 5, baptized at 8 and now an Ordained Minister by the Native American Church of Nemenhah and recognized as a medicine man and traditional leader.

My ministry is focused on practicing and promoting reliance on our creators ways of natural health care, living independent, self-governed and in harmony with all of Gods creation.

I am a farmer and with my wife of 30 years, Mrs. Parsons and I raise organic hay, dairy goats, horses, rabbits, chickens and for 38 years I have raised wolves.

I have worked to educate the public and dispel the false myths that wolves are dangerous to man and have provide wolves to autistic children and families seeking the world's best family companion animal.

Mrs. Parsons and I have raised our son in ministry and music and he has attained many successes in both. Including performances at Julliard Music Conservatory and a Music Minister and conductor for several churches and Orchestras while in High School and College. He has traveled the world playing music and now is the Director of Bands for the largest private Christian School in America.

In 2015 I was appointed to the position of Associate Chief Justice and tribal member of the Tsilhqot'in (pronounced Chilcotin) Nation for working to get their children back from the Canadian Government Corporation.

Like the corporations posing as government here, Canada balances the books off the backs of the people including Native American children they kidnap for a \$300,000 profit per child per year.

My friend, it's a rigged game and your not allowed to win because your never told the rules.

However, this is our time, it's our history and we don't have to play their game.

But remember, what we do today will determine if our children will inherit freedom and peace or be slaves to a criminal cabal posing a government.

As for me..., I'll stand and fight.

How about you?
