

About Sheila Zilinsky

Zilinsky, a former high level government executive for the Ministry of Environment, discovered confidential information in 2007 that lead her to speak out against the fraud of anthropogenic global warming and the entire green agenda.

Zilinsky is an internationally recognized radio host, author, and minister. Her radio broadcast ministry outreach extends to the four corners of the globe. Sheila examines the emergence of the New World Order, Global Governance, Agenda 21, The Green Agenda, Big Brother, Marxism, The coming One World Antichrist system, transhumanism and the rise of the false doctrine and Apostasy in the Church. She examines news and world events under the lens of a Biblical World View and End time Bible Prophecy.

Best-selling author Paul McGuire says, 'Sheila is a force to contend with and possesses that rare combination of intellectual knowledge, the gift of being able to communicate articulately and a genuine Biblically centered spirituality. I believe Sheila will emerge as an authentic leader in the days to come.'

Zilinsky's show can be heard weekdays at 6pm EST at www.weekendvigilante.com
